

## Grain Sudoku

To solve Sudoku puzzles, place a different letter or symbol in each row, column, and small 9-box square. No letter may appear more than once in any row, column, or square. Rearrange the shaded letters to make a word associated with grain safety.

#7 C F S T O A U I N

		C				U	S	
	F		O			T		
	S	T			A			F
	C	O	T				U	N
